

Foundations in Physical Education

The Statutory Framework for the Early Years Foundation Stage is organised across seven areas of learning and development rather than specific subject areas.

The table below identifies the statements taken from the Statutory Framework for EYFS 2021 and *Development Matters* which are foundation skills for Physical Education within the National Curriculum.

The most relevant statements for PE are taken from the following areas of learning:

- Personal, Social and Emotional Development
- Physical Development
- Expressive Arts and Design

Children have the opportunity to develop early skills in PE as part of daily continuous indoor and outdoor provision and focussed sessions which develop their fine and gross motor skills. Our Reception also have a PE slot once a week with Miss Walsh.
