

PARENT VOICE

We have asked our parents for their views on our school values and how the school is improving.

Which value would you say fits our school:

Are there any other comments you'd like to make about Radcliffe Hall?

- My child is happy at school. I've seen very welcoming new staff and believe that the school is progressing.
- Just how amazing all the staff are esp. the staff down in nursery where my son is he has settled in so well and that's down to the staff and how welcoming they have been
- Really pleased with the changes that have been taking place both my children talk very positively about school.
- Keep up the hard work we are noticing the differences in the children thank you
- The children are really changing for the better and the learning ability has increased
- I love the teachers here, always feel they are approachable
- It's becoming a better school , children are having more of a understanding of value of friendship
- Nice school and teachers
- To keep working hard in other to upgrade the school standard.
- More after school fun time for my kids like football and fun activities
- Great school full of love and caring people
- Love how much the school has come on since Mrs Ford arrived.
- Radcliffe Hall is a brilliant school
- Brilliant school my daughter is very happy here!

What can we do to improve the values we have at Radcliffe Hall?

- Reminders of the schools values as a suggestion.
- I think Radcliffe hall has improved so much that I cannot think of anything else you can do, the children seem happier as do the staff it's a lovely vibe within the school
- Events within the community, raffles, etc.
- Keep up with the good work I think they are great
- Just need improvement in play area
- Mentors for younger children who struggle to make friends
- I feel that all values have improved in the school. So no changes
- Continue to work on improving behaviour.
- Keep instilling the ones you have
- Just keep doing what you are doing its really changed
- students
