Thursday 2nd November 2023

Dear Parents and Carers,

RE: Children in Need

This year, the Rainbow Council have chosen to support the BBC Children in Need charity by holding a non-uniform day on **Friday 17th November**. We are asking you to send your child to school wearing their most SPOTacular outfit. Please ensure that they wear suitable footwear and outwear for the weather on the day.

If you would like to donate to the BBC Children in Need charity, please do so [here](#).

What is the BBC Children in Need?

The BBC Children in Need is a children's charity that aims to change the lives of disadvantaged children and young people across the UK. Their vision is that every child in the UK has a safe, happy and secure childhood and the chance to reach their potential.

Where does the money raised go?

The charity uses the money raised to support disadvantaged children and young people across the UK. The BBC Children in Need is currently supporting over 2400 local charities and projects in communities across the UK that are helping children and young people facing a range of disadvantages such as living in poverty, being disabled or ill, or experiencing distress, neglect or trauma.

In the last grant year alone, they helped change the lives of over 460,000 children and young people facing disadvantage, right here in the UK.

Many thanks for your continued support.

Yours sincerely
