Dear Parent/Carer,

We have had a few messages regarding the text message you received stating that the children stayed inside during lunchtime today. I am therefore writing this letter to reassure you and give context to the message.

The safety of your child is our number one priority, and always will be. As there was an isolated incident involving the police within the immediate vicinity of the school whilst the children would usually be playing outside, I made the decision to keep all children inside as a precautionary measure whilst the police dealt with the incident. This decision was to ensure your child was kept safe and to avoid them witnessing anything which may have been upsetting to them. The police quickly informed us that no crime had been committed and there was no threat to the children, which meant that normal routine could resume.

Whilst inside, the children participated in wet-play activities, just as they would if there was heavy rain or ice on the playground, so this is not unusual for them.

As always, your child's safety comes first.

Thank you for your continued support.

Mr P. Wilson
