Dear Parents & Carers,

We are thrilled to share with you the fantastic news regarding our recent Ofsted inspection. It is with immense joy and pride that we announce Radcliffe Hall CE/Methodist Primary School has been graded as a **'Good'** school by Ofsted.

This achievement is a testament to the hard work, dedication, and commitment of our entire school community, including children, teachers, support staff, The Sycamore Trust and parents. Ofsted recognises the transformation taken place within the school since its previous inspection in which the school was graded as inadequate.

The inspection report highlights that our motto, 'let all that you do be done in love', permeates the way in which children and staff treat one another and how that all children, including those with SEND, benefit from being part of a school with high expectations, noting how all children achieve well both academically, socially and emotionally.

The children spoke about how much they like school and their teachers. The inspectors acknowledged how polite and courteous our children are and the contribution they make to making Radcliffe Hall such a special place.

The improvements the school has made to the curriculum offer since joining The Sycamore CofE Trust was also commented upon. Stating that the curriculum is broad and ambitious and that the school, in partnership with the Trust, has been highly successful in ensuring that the children receive a good quality of education.

I want to express my gratitude to our wonderful children for their hard work and enthusiasm, our dedicated staff for their unwavering commitment, The Sycamore Trust for supporting Radcliffe Hall throughout its improvement journey, and you, the parents and carers, for your continued support and partnership in your child's education.

While we celebrate this 'Good' rating, we are also committed to ongoing improvement and growth. We will continue to work collaboratively to ensure that Radcliffe Hall
