CE/Methodist Primary School

Corinthians 16:14 'Let all that you do be done in love'

**Interim Headteacher:** Mrs E Cook

**Assistant Headteachers:** Mrs L Clare & Mrs M Cuthbert

Thursday 28<sup>th</sup> March 2024

Dear **KS1** Parents and Carers,

During the next term in science, we are focusing of the uses of everyday materials. Children need to have experience of, and explore as many different materials (substances) as possible to **make sense of their world**. Understanding how materials behave in their natural state and under certain conditions will help them to understand why objects are made of specific materials.

For the children to explore as many everyday materials as possible we are asking for the children in **KS1** to bring in any items made from the following materials during the first week back:

- Paper
- Plastic
- Card
- Polystyrene

Any contributions will be greatly received and we thank you in advance.

Yours sincerely  
Miss B Wylie
