Dear Parents/Carers,

Staffing News

I am writing to let you know that unfortunately, our Headteacher, Mr. Paul Wilson is currently absent from the workplace. I have taken steps to put temporary leadership arrangements in place whilst he is away from the school.

One of our experienced, serving Headteachers, Mrs. Cook, will be joining Radcliffe Hall as the interim Headteacher with immediate effect. She will be ably supported by our Assistant Headteachers, Mrs. Clare and Mrs. Cuthbert and our dedicated staff team at the school.

Radcliffe Hall is in a strong position following our recent Ofsted inspection and I am confident that the high-quality provision that we offer all our children will continue during Mr. Wilson's absence.

Thank you for your support.
