Deputy Head Teacher: Mrs S Hamer

Friday 3rd February 2023

Dear Parents/Carers,

Following feedback from previous surveys and conversations with parents and carers, we have made a few improvements to the school:

Events Team

We are excited to announce the development of the Radcliffe Hall Events Team. The team consists of a range of staff from school and they will be responsible for organising events such as discos, raffles and school fairs. The team are committed to the children and families of our community and we are very excited to get started.

Class Pages

Class pages have now been added to the website. Whilst they are still in their early stages, it will give you a brief overview of what the children are learning throughout the half term. These pages can be found under the 'children' tab and will be regularly added to.

Digital Comments Box

We have created an online comments box (<https://forms.office.com/e/Ce5H5uQ4xS>). This can be used to celebrate the amazing things happening at school but also to share your view on what we can do to improve further.

Remember, we operate an open-door policy at Radcliffe Hall. If you would like to share your views, then please do come in to discuss these with a member of staff. You will continue to see changes made as a response to your feedback about our school.

Thank you for your continued support.
