Corinthians 16:14 'Let all that you do be done in love'

Head Teacher: Mr P Wilson

Friday 15th September

Dear Parents/Carers,

Warm greetings and welcome back to another exciting academic year at Radcliffe Hall! We hope you and your children had a restful and enjoyable break and it has been lovely to see the smiling faces of the children and families since our return to school. I would also like to welcome our new families who have joined us this year. We are thrilled to have you as part of our Radcliffe Hall community, and we look forward to partnering with you in providing the best educational experience for your children. The children have settled in exceptionally well and are demonstrating our school values wonderfully.

Building Works

First and foremost, we are delighted to inform you that the building works are progressing remarkably well. The completed classrooms are looking brilliant, and we are confident that the enhancements will create an even more enriching learning environment for the children. One class at a time is being placed in the Community Hub as a temporary classroom and the children have been incredible with how well they have taken this in their stride, as have the teaching staff.

Good Quality Uniform

In response to valuable feedback from one of our parents, we are pleased to announce that used uniforms will now be available in the reception foyer. We understand the importance of cost-effective options for school uniform, and we hope that this initiative will be beneficial to all families. If you have any questions or need support, then please don't hesitate to speak to a member of our admin team and we will point you in the right direction. If you have any good quality uniform to donate, or children's hangers, please bring them to the school office.

Class Pages

Throughout the year, class pages are going to be developed further. These pages will provide updates on what your children are learning and important announcements from their class teachers. We believe that open communication between home and school is key to your child's progress, so please feel free to reach out to your child's teacher should you have any questions or concerns. They're available at the start and end of the school day or meetings can be arranged via the school office.

Have Your Say

Please remember, your views and experiences are valuable in developing our school further. If you have any comments to make, whether it's a 'well done' or it's a suggestion to improve, there are QR codes available around school to scan and feedback. You can also follow the link here: <https://forms.office.com/e/Ce5H5uQ4xS>

Lastly, we would like to express our gratitude for your continued support and partnership as we work together to provide the best experience for your children. We value your involvement in the school community and look forward to another successful year of growth and achievement.

Best wishes,

Mr P. Wilson
