Dear Parent/Guardian,

You may/may not be aware the Year 6 School Health Questionnaires have now changed from paper copies to electronic copies this year.

The questionnaire is aimed at supporting your child through the transition progress from primary school into secondary school.

The questionnaire will help your child explore any thoughts and feelings they may have about their move to secondary school, and is designed to support you with any health concerns, support you with weight management, anxiety/mental health support, and support you with any medical conditions and care plans your child may have.

The school Nursing team will also go into your child's school to complete the National Child Measurement Programme for Reception and year 6 children, if you do not wish for your child to participate you have the option to opt out with in the questionnaire.

More information regarding the National Child Measurement can be found by following this link;
www.nhs.uk/live-well/healthy-weight/childrens-weight/national-child-measurement-programme/

Please follow the link below to complete the questionnaire. It is simple and straight forward to complete, you will just need username and password to set up.

<https://app.schoolscreener.com/Portal/#/bury/p/Bh202/147159>

Please can this be completed by 31st December 2023

Some useful links which may be helpful for your family are:

A good website for sleep advice is - www.thechildrenssleepcharity.org.uk

For weight management - <https://www.bury.gov.uk/health-and-wellbeing/bury-live-well-service/referrals-to-bury-live-well-service>

For anxiety support - <https://youngminds.org.uk>

If you are struggling to complete the questionnaire, please e mail parentsupport@schoolscreener.com

If you have any queries, please do not hesitate to contact our service with any queries on the e mail.

Kind regards

School Health Team
