## Device and technology acceptable use agreement for pupils

At Radcliffe Hall, we know that using technology is an important part of your learning experience. We want everyone to be able to use technology, like the internet and laptops, but it is important that you are safe when you are using technology.

This agreement will set out the rules around using technology and devices, such as laptops and phones, when you are at school. Please read this document carefully and go through it with your parent or carer. Once you are sure that you understand the rules set out in the agreement, please sign your name on the form and ask a parent or carer to sign their name too.

If you have any questions about anything in this agreement, speak to your teacher.

### Definitions
